SOMMELIERS (1973)

- RIEDEL'S CLASSIC
- THE FIRST VARIETAL SPECIFIC STEMWARE LINE

The introduction of the SOMMELIERS series in 1973 achieved worldwide recognition. A glass was born that turns a sip into a celebration – a wine's best friend – fine-tuned to match the grape! We invite you to share this fascinating and unique experience. You don't need to be a wine writer, a wine maker or an expert to taste the difference that a RIEDEL glass can make.

RIEDEL HIGH PERFORMANCE

RIEDEL HIGH PERFORMANCE (2020)

- OPTIC IMPACT
- XL STEM

The machine-produced visual effect has a positive impact on the taste experience: not only does it give the chalice an attractive appearance, it also increases the internal surface area. This allows the champagne to open up and bring out its full aroma, with all its subtle nuances. The long drawn stems are a masterpiece of the glassmaker's art. They give the glass an exclusive, unique elegance.

HANDMADE

**PREMIUM MACHINE-MADE
IN WEIDEN, GERMANY**

PREMIUM MACHINE-MADE - BLOWN IN WEIDEN, GERMANY

„PREMIUM“ defines the advantage of a machine blown RIEDEL glass vs. a handmade glass.

The difference lies within the precision.

Since RIEDEL glasses are fine-tuned instruments that support your wine enjoyment, we must make sure that there are no variances in the execution of the bowl and rim diameter, which is the key to our grape varietal specific philosophy!

RIEDEL WINE WINGS

MACHINE-MADE

RIEDEL WINEWINGS (2020) STRIKING COLLECTION BY GEORG RIEDEL

A flat-bottomed glass, wide and reminiscent of the wing of an aircraft, complete with winglets. Over the course of a year, through many tastings and by making changes to shape, size and rim diameter, what began as one glass for one grape varietal developed into seven different glasses to represent the most popular grape varietals. RIEDEL WINEWINGS was born and was about to take flight!

RIEDEL VELOCE

RIEDEL VELOCE (2022)

- MODERN GLASS THAT IMPRESSES THROUGH ITS BALANCE AND HAPTICS
- MODERATE PRICE AND DISHWASHER SAFE

RIEDEL VELOCE is an impressive development based on state-of-the-art technology. The glass is taller than the EXTREME and has a thinner stem and finer bowls. A specially developed machine, at RIEDEL's Weiden factory, enables us to draw stems that are the equal of those made by hand by a master glassmaker.

RIEDEL PERFORMANCE (2018)

With three generations of research, development and experience in creating wine specific glassware Georg Riedel & Maximilian J. Riedel have created Performance; the new ultimate loudspeaker for fine wine. Lightweight, durable and dishwasher-safe, Performance glasses are executed in sparkling fine crystal, and feature long fine stems and large stable bases. Performance's unique optic impact not only adds a pleasing visual aspect to the bowl, but also increases the inner surface area, allowing the wine to open up and to fully show every aroma and subtle nuance. The grape varietal specific shapes in Performance, when combined with the optic impact, deliver ultimate wine enjoyment, making Performance the new essential 'must-have' wine glass collection for all wine-lovers.

vinum

VINUM (1986) RIEDEL'S BENCHMARK

VINUM was the first machine-made glass collection in history to be based on the characteristics of grape varieties. Grape varieties carry in their DNA unmistakable flavor profiles, which add to the importance of selecting the appropriate glass.

VINUM was developed by Georg J. Riedel, not on a drawing board but through sensory workshops - a concept where the performance and the content command the shape - and which was developed by the RIEDEL family.

VINUM is the „Vitrum-Vinothek“ for everyday use.

EXTREME

EXTREME (2020)
DRAMATICALLY DESIGNED FOR NEW WORLD WINES

EXTREME was developed in sensory workshops by experts and are specially designed for the optimum enjoyment of wines. Executed in clear, brilliant crystal by RIEDEL in Bavaria, Germany, EXTREME perfectly shows the true colours and depths of the wine. These glasses feature a broad, angled, grape varietal specific bowl, which enhances the wine's aromas, opening up the wine to reveal every subtle nuance. EXTREME delivers the wine perfectly onto the palate, balancing and harmonising the fruit, acidity and tannins and highlighting the wine's delicious flavours.

RIEDEL BAR

DRINK SPECIFIC GLASSWARE

RIEDEL DRINK SPECIFIC GLASSWARE (2019)

- DRINK SPECIFIC
- PERFECTLY ADJUSTED FOR ICE CUBES

All drinks can be traced back to 7 Classics. The Old Fashioned, Manhattan, Daiquiri, Sour, Peasant, Buck and Julep. With the 7 different glasses you will be able to make thousands of drinks based off those original 7 Classics. RIEDEL added an all purpose glass and a mixing glass to the collection to complete the range. Each glass was created with specific attention to size, shape, volume and capacity for ice.

GLASSES FOR BEGINNERS OR
OCCASIONAL WINE DRINKERS**

Instead of being functional and matched to the grape variety, the glasses of the RIEDEL WINE FRIENDLY collection are designed for a specific purpose. With this collection, RIEDEL is responding to a worldwide increase in demand for “easy to use” entry-level glasses. The collection was originally developed as a mise-en-place for the restaurant industry, where universal glasses are preferred due to limited storage space.

SL RIEDEL STEMLESS WINGS (2021)

- COMPLEMENT TO THE ORIGINAL STEMMED SERIES
- PERFECTLY CRADELED THANKS TO ITS UNIQUE CURVATURE

This stemless creation is the perfect complement to the original stemmed series RIEDEL Winewings, crafted by Georg Riedel. These shapes have been redesigned to ensure they sit comfortably within the drinker's hand.

As a result, each grape varietal shape required a set of new handmade prototypes and molds to determine how much the size of the glass could be reduced while maintaining the delicate and important characteristics of each wine.

SWIRL

SWIRL (2010)

Swirl was named after the ease with which they enable the wine to be swirled.

The series has a wavy shape with subtle curves, meaning the glass sits in the hand better and allows the wine to be swirled in the glass particularly well. With a tiny hand movement the wine is effortlessly opened out and aerated with each gentle swirl. These stemless glasses are also endlessly versatile.

RIEDEL

THE SPIRIT GLASS COMPANY

RIEDEL MIXING SETS (2019)

The renaissance of cocktails and bar drinks has long since ceased to be an insider tip.

After the great international success of the RIEDEL Gin & Tonic sets in 2019, RIEDEL presented the Mixing Tonic, Mixing Rum and Champagne Cocktail sets in 2020 as the perfect addition for all those who like to create and mix their own cocktails.

In 2022, for the enjoyment of pure spirits, a Rum set and a Tequila set have been added to the collection.

TRADEMARK

Friedel

(1) *Riedel*

(2) **RIEDEL**

The RIEDEL TRADEMARK dates from the Art Nouveau period at the end of the nineteenth century, and was used for RIEDEL glassware made in Bohemia from 1890 to 1925. In 1996, to commemorate RIEDEL'S 240th anniversary, we reintroduced this trademark for all our handmade and hand-finished products. The distinctive RIEDEL signature is now featured on the base of all these products. This signature trademark (1) helps our customers to distinguish immediately between handmade, hand-finished products and those made by machine (2). Our machine-made products carry this trademark. The RIEDEL glass dynasty is built on the creative energies of a long line of glassmakers. The story begins in 1756 in Bohemia and continues right down to the united Europe of today, taking in on the way some of the most dramatic events in European history.

WINE CRITIC ROBERT M. PARKER JR. OF THE WINE ADVOCATE:

"The finest glasses for both technical and hedonistic purposes are those made by RIEDEL. The effect of these glasses on fine wine is profound. I cannot emphasize enough what a difference they make."

Michel Bettane, GUIDE BETTANE ET DESSEAUVE:

"It takes a great deal of effort for a talented winemaker to produce a good wine. These efforts can be ruined in no time if the wine is not served properly."

The quality of the glass plays a crucial role here and RIEDEL produces the largest range of high quality glasses, specifically fine-tuned to fit the predominant wine varieties of the planet. RIEDEL makes it possible to fully appreciate all the nuances of aromas and tastes from the best wines of the world."

TIME MAGAZINE:

"The RIEDEL family has never stamped its name on a single bottle of wine. But over the past 50 years, this Austrian clan of master glassmakers has done more to enhance the oenophile's pleasure than almost any winemaking dynasty."

ABOUT RIEDEL CRYSTAL

- RIEDEL CRYSTAL (established 1756) has been producing glass in the heart of Europe for over 265 years and for eleven generations.
- Family owned and operated by GEORG J. RIEDEL (10th generation) and MAXIMILIAN J. RIEDEL (11th generation).
- RIEDEL is recognized worldwide for designing and producing the highest quality glasses and decanters for the enjoyment of wine and spirits.
- Top-rated wineries and restaurants throughout the world use RIEDEL.
- RIEDEL produces collections for every lifestyle and price range, whether for critical wine evaluation, a picnic or dinner. There is a series for every wine lover.

AT RIEDEL, CONTENT COMMANDS SHAPE

Perfectly designed glassware enhances the aroma and the flavor of all aromatic beverages.

- In the late 1950's, CLAUS J. RIEDEL was the first person in history to introduce and develop wine-friendly stemware.
- Wine-friendly stemware translates and delivers the bouquet, taste, balance and finish of a wine to the senses.
- Based on this principal, RIEDEL introduced the concept of grape-specific glassware.

WHY SHAPE MATTERS

- Stemware consists of three parts: the bowl, stem and base.
- The height of the stem and the width of the base are part of the glass design (known as the architecture).
- Grape varietal specific stemware features finely-tuned glass bowls consisting of three variables: shape, size and rim diameter.
- Grape varietal specific stemware has to translate the "message" of wine to the human senses.

THERE ARE 4 SENSATIONS IN WINE:

- 1. Bouquet:** Grape varietal specific stemware is responsible for delivering the quality and intensity of the wine's aroma.
- 2. Texture:** Grape varietal specific stemware highlights the exciting and diverse styles of „mouthfeel“ in wine (watery, creamy, silky, velvety).
- 3. Flavor:** Grape varietal specific stemware creates a balanced interaction between the fruit, minerality, acidity and bitter components of a wine.
- 4. Finish:** Grape varietal specific stemware offers a pleasant, seamless, harmonious, and long lasting aftertaste.

THE ARCHITECTURE OF STEMWARE

Comprises three parts: bowl – stem – base.

The design (architecture or construction) of a stemmed glass must ensure that the size, height and width are in perfect harmony. The size of the bowl has to be in proportion to the height of the stem and the width of the base. Respecting the exact ratio between these dimensions ensures the glass is correctly and seamlessly proportioned. Table top “classics” are composed using the magic “golden architectural formula”. Early glass architecture, around 1920, took the lead, spearheaded by three Viennese architects (Loos, Hoffmann, Ertl). CLAUD J. RIEDEL’s designs from the late 1950’s, reestablished and took on this concept, which combined with influence from French and Irish classics resulted in stemware featuring this “construction”, which is so pleasing to the eye.

SERVING TO MAXIMIZE ENJOYMENT

- Glass hygiene: Serve beverages only in sparkling, clean, odorless glasses.
- Serving temperature: Do not over-chill white wines and sparkling wines; serve red wines below room temperature.
- Serving per glass: Maximum 3 to 6 oz/100 to 125 ml. Never over-pour the glass.
- The ample, gracious glass volume offers great wines the room to breathe and to express the unique message of the aroma.

SELECTING THE RIGHT RIEDEL GLASS

Offers the option of either ‘varietal specific’ glasses, for dedicated wine lovers, or ‘wine friendly’ glasses, for informal wine drinkers. When choosing a grape varietal specific RIEDEL glass, consider that it is designed for, and performs at its best with, a specific type of wine. A grape varietal specific RIEDEL glass is a wine tool – ‘the key to wine’ – shaped to unlock the most elusive characteristics. Visit our Wine Glass Guide at RIEDEL.COM to identify the right glass for your wine.

IS THERE ONE GLASS FOR ALL MY WINES?

The two most versatile shapes for red and white wines are the RIEDEL WINE FRIENDLY Magnum and the VINUM Riesling Grand Cru, but please remember: shape does matter for maximum intensity and total enjoyment of wine.

ONE SIZE FITS ALL? HOW CAN EACH SHAPE PROVIDE A UNIQUE EXPERIENCE FOR MY WINE?

- One glass is not ideal for all styles of wine; a wine's bouquet, taste, balance and finish are all affected by the shape of the glass it is consumed from.
- A wine will display completely different characteristics when served in different glasses.
- These differences can be so great, that when the same wine is served in several different glasses, even experienced wine connoisseurs believe that they are tasting as many different wines as there are glasses.
- RIEDEL has created shapes that specifically enhance a wine's harmony and highlight its unique characteristics.
- Grape varieties carry in their DNA unmistakable flavor profiles, which adds to the importance of selecting the appropriate glass.
- Wines have two, three or four flavor contributors which are associated with the fermentation process.

Two-flavor contributors: floral white wines – aroma and taste are dominated by fermented grape juice and the flavor of yeast.

RIESLING GRAND CRU
(13-3/8oz, 380ccm)

Three flavor contributors: oak-aged white wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

**MONTRACHET/
CHARDONNAY**
(18-3/8oz, 520ccm)

Four flavor contributors: oak-aged red wines – aroma and taste are dominated by fermented grape juice, the flavor of yeast, maceration (fermentation of the skin and juice) and oak influence (malolactic fermentation, gentle wood flavors combined with ageing and aeration).

HAND-MADE PRODUCT

The origin of blown glassware dates back 2000 years. The Romans were the first to use this technique. At RIEDEL, in Kufstein, we produce hand-made and hand-finished crystal glassware. Each hand-made and hand-finished item is individually crafted/hand-finished by our master glassmakers. The expertise of these craftsmen guarantees that the quality of each glass meets the high standard for which our brand is known. Because of the hand-crafting/hand-finishing, small tolerances in the size and weight of each glass, tiny bubbles/imperfections and slight surface variations are a feature and an acceptable part of the process.

WHY SHOULD I USE A DECANTER? HOW WILL DECANTING ENHANCE MY WINE EXPERIENCE?

- **There are two reasons why we decant wines:**

1. Decant an older wine to separate it from its sediment.
2. Decant a younger wine to increase aeration, revealing more complexity, and opening up aromas and flavors.

- To enjoy young wines fully (up to 10 years for both red and white) consider opening them 8-12 hours prior to consumption for aeration, or decant the wine, as this shortens the aeration process.
- The main preservation element in wine is carbon dioxide, which is integrated with the wine during the first (= alcoholic) fermentation.
- Decanting reduces the amount of carbon dioxide and "matures" the wine, allowing the bouquet to develop faster.
- On the palate, decanted wine expresses higher levels of fruit in red wines and tends to integrate and smooth out tannins.
- When decanting young wines, turn the bottle directly into the decanter and let it splash into the vessel to maximise aeration.
- When decanting off the sediment of an old wine, slowly pour the wine into the decanter without allowing any sediment to leave the bottle.
- Suggest the customer considers trying the following exercise: *Using identical glasses, decant half the bottle and serve the other half directly from the bottle - then draw your own conclusion.*

CHRISTIAN MOUEIX, PRESIDENT OF THE NÉGOCIANT HOUSE ÉTABLISSEMENTS JEAN-PIERRE MOUEIX:

"I prefer to decant wines, both young and old. It is a sign of respect for old wines and a sign of confidence in young wines. Decanting old wines, just a few moments before they are served, helps to ensure that the wines' clarity and brilliance are not obscured by any deposit that may have developed over time. Decanting young wines several hours before they are served gives the wine a chance to bloom and attain a stage of development that normally requires years of ageing."

CAUTION: A Riedel glass is a grape varietal specific wine tool! This shape works best with wines made from specific grapes. Please read the instructions below to guarantee maximum enjoyment. Riedel has researched the

grape varietal sensation, leading to the conclusion, on which the world's wine experts agree; that the enjoyment of aroma, taste, texture and finish of a wine, is maximized by using the right "WINE TOOL"

Rules when handling connoisseur glasses

1 Filling the glass

Do not over-pour. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2 Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl.

3 Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4 Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. It also helps the wine breathe, as the greater surface diameter lets more oxygen reach the wine than the bottle does.

5 Wine temperature

Before decanting/or serving wine, store it at appropriate temperatures (red wine 59-63°F, 15-17°C, white wines at 50-54°F, 10-12°C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavours.

4. INFORMATION ABOUT SILK SCREEN DECORATION:

In decorating glass with the screen printing process, colour is pressed through a silk screen to the glass surface and fixed to the glass during a temperature treatment. The colours, used by RIEDEL, are organic colours without heavy metals (such as lead, barium, etc.) or other toxic components. These colours have a high dishwasher resistance, but compared with ceramic colours a lower mechanical resistance.

5. ATTENTION:

The water hardness for cleaning glass, should not be less than 3° d.H.

Glasses with organic colours should be placed in the dishwasher in a way that they cannot make contact with each other during the washing process. If cleaning the glasses by hand, please do not use a scouring brush or abrasive detergents.

Be aware that fully desalinated water is extremely aggressive to both the glass surface and screen print decoration.

Over/underproduction (+10/-10 %) may be possible and will be billed accordingly.

If Customer does not want the Product comprising such Back Order, Customer needs to advise TG immediately after receipt of such Back Order notification accordingly in writing, otherwise Back Orders cannot be cancelled by Customer.

2.10. Customer acknowledges that the packaging and labeling of the Products as designed and implemented by TG is critical to maintain the recognition and the image of the respective Brands (as defined in **Clause 3.2.**). Without the prior written consent of TG, Customer shall not modify or remove or otherwise make illegible or unreadable any packaging, labeling, tags, markings or other items, such as QR Codes, promotional materials or instructions, howsoever affixed to the Products themselves or to their packaging or accompanying the Products.

2.11. The Products shall not be unpacked from their original packaging as shipped to Customer or be repacked by Customer, but shall be sold by Customer in its original packaging, unless explicitly priorly authorized by TG in writing.

2.12. In the event that TG explicitly authorizes Customer in writing to unpackage

(unwrap) and/or repackage Products (collectively, "**Authorized Packaging Changes**"), Customer shall ensure that the unpackaged and/or repackaged Products and the packaging used by the Customer (the "**Customer Packaging**") comply with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such Products' and Customer Packaging's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless TG and its affiliates for any violations or alleged violations thereof. TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees and costs) arising out of or related to Authorized Packaging Changes, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the Products or of the Customer Packaging.

2.13. In the event that Customer elects to purchase TG's Product comprising two wine glasses within packaging permitting Customer's inclusion of one bottle of wine (the "**2 Glasses 1 Bottle Product**"), Customer shall ensure that the 2 Glasses 1 Bottle Product complies with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such 2 Glasses 1 Bottle Product's labelling, marking, tagging, waste management, packaging, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless TG and its affiliates for any violations or alleged violations thereof. TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees and costs) arising out of or related to 2 Glasses 1 Bottle Products, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the 2 Glasses 1 Bottle Product.

2.14. Customer understands that TG's ability to effect proper quality control measures, including but not limited to quality control oversight over the Brands, Trademarks and the Products, requires TG's unfettered ability to track its inventory at all stages of the Products' supply chain. Accordingly, Customer acknowledges and agrees that it will not under any circumstances remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying label, mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or the packaging of any Product.

2.15. In the event that Customer, as determined by TG in its sole discretion, is found to have violated any part of **Clause 2.10, 2.11, 2.12, 2.13 or 2.14**, Customer's status as an authorized purchaser and as the case may be, as well reseller of the Products shall be subject to immediate termination, and TG shall reserve all rights and remedies it may have against Customer pursuant to these T&C, any other agreement entered into or otherwise governing the relationship between TG and Customer, and applicable law.

2.16. TG does not provide Customers with any kind of marketing support, unless decided by TG in its sole discretion on an individual basis case by case. The granting of any kind of marketing support by TG to a Customer does not create any further claims by Customer for continued support. Customer will not be reimbursed for any kind of investments or promotional events or for any kind of promotional material regarding the Brands (see **Clause 3.2.**), irrespectively if Customer purchased such material from TG or from a third party.

3. Customer Obligations.

Customer hereby agrees at all times to observe and abide by the obligations (the "**Customer Obligations**") as outlined in this **Clause 3.** of the T&C.

3.1. Retail-Customers: Retail-Customers may sell retail Products received from TG to end-user consumers. Active sales to certain groups of resellers or to any kind of resellers in certain territories, which TG has exclusively reserved for itself or for third party dealers, are prohibited. TG will inform Customer respectively. Passive sales are exempted from the above restriction. Provisions in the selective distribution network remain unaffected by this **Clause 3.1.**

3.2. Customer acknowledges its obligation to maintain and promote the extremely high standard of the Products reputation as comprising some of the world's finest glassware, the goodwill symbolized by the "Riedel", "Spiegelau" and "Nachtmann" brands (the "**Brands**"), and the associated trademarks (the "**Trademarks**") and trade dress and Products, and to further refrain from any conduct that could be viewed as disparaging or otherwise having a negative impact on the image of the Products, the Brands, the Trademarks, TG and its affiliates, and shall include, but shall not be limited to, the selling of the Products to or via mass merchandisers or discount stores that were not specifically authorized by TG in writing, and the selling of the Products next to other goods that are infringing upon the intellectual property rights of TG or of its licensors.

3.3. Customer will conduct its activities strictly in accordance with the T&C and all applicable laws and regulations. In the event that Customer is found to have violated any part of **Clause 3.**, Customer's status as an authorized purchaser and as the case may be, as well reseller of the Products shall be subject to immediate termination, and

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2023 ("TG").

TG shall reserve all rights and remedies it may have against Customer pursuant to these T&C, any other agreement entered into or otherwise governing the relationship between TG and Customer, and applicable law.

4. Prices.

The prices for the Products and/or services are as set out in the applicable printed and/or digital Price Books provided to Customer by TG from time to time (the "Price Books"). TG reserves the right to change the Product assortment and/or the service assortment as well as the prices for its Products and/or services from time to time, and the prices applicable at the time an Order is placed are those that apply to the Products and services purchased. Unless otherwise stated in TG's applicable Payment & Delivery Terms (as defined in **Clause 5.1**) all prices are stated net per sales unit, EX WORKS („EXW", INCOTERMS 2020) TG warehouse, Germany, excluding the packaging for shipment. TG issues its invoices in Euros or – at TG's sole discretion – in another currency depending on the Customer address. Prices are exclusive of statutory VAT or other taxes, fees or duties. If VAT is payable, it will be stated separately in TG's invoice.

5. Terms of Payment.

5.1. The payment and delivery terms applicable to Customer are set forth separately in TG's "Payment & Delivery Term Sheets" (the "Payment & Delivery Terms"), which are hereby expressly incorporated into and form an integral part of these T&C. TG reserves the right (I) to change its Payment & Delivery Terms from time to time, with any such changes applying to future Orders placed, or (II) to suspend fulfillment of any agreement with Customer, if TG has reason to believe that such change/suspension is necessary due to Customer's financial situation or payment history.

5.2. TG may ask for a payment confirmation to be issued by a bank accepted by TG. Payment will be deemed effected as soon as TG is able to freely dispose of the same at its registered office. If payments are effected in freely convertible currencies other than the invoicing currency, Customer will bear the exchange rate risk. Any bank charges are at Customer's expense. Customer acknowledges its obligation to pay default interest of 11% p.a. as of the due date. Any claims, counterclaims or claims for compensation of Customer shall not entitle Customer to any extension of the period stipulated for payment.

5.3. An eventually granted cash discount may only be deducted, if all outstanding invoices have been fully paid by Customer.

5.4. TG is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honored to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by Customer.

5.5. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.6. In the event of default in payment under these T&C by more than sixty (60) days past due, TG may suspend all deliveries until the full outstanding amount has been credited to TG's account. Although TG may accept new Orders, these will not be processed and/or delivered.

5.7. If (a) Customer defaults in payment under these T&Cs by more than sixty (60) days past due OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of TG, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honored); OR (f) at any time TG considers (acting reasonably) that Customer is a credit risk, THEN: (g) all outstanding accounts receivable, also under bills of exchange, will become due for payment immediately irrespective of their due date and (h) TG shall be entitled to terminate or cancel all current contracts and/or confirmed Orders, request damages in lieu of performance, stop any or all deliveries, require proper security before making any delivery or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, TG will refund those amounts or allocate/offset them accordingly); and (i) TG will retain title to Products that have not been paid for as described under **Clause 12**. and TG may ascertain and collect any such Products that are in the possession, custody or control of Customer.

6. Delivery and Passing of Risk.

6.1. Unless otherwise stated in TG's applicable Payment & Delivery Terms or agreed in writing by TG, all deliveries will be effected EX WORKS („EXW", INCOTERMS 2020) TG warehouse, per address RSN Logistik GmbH, Weiden i.d. Of., Germany.

6.2. Unless otherwise stated in TG's applicable Payment & Delivery Terms, if so requested by Customer and agreed in writing by TG, Products can be shipped to a different destination. Save where otherwise agreed, TG is entitled to determine the kind of shipment (in particular the forwarding agency, shipment route, packaging). Products will be shipped at Customer's sole cost and risk.

6.3. If Products are shipped to a different destination upon Customer's request, the risk shall pass to Customer on the Products' surrender to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof, TG shall not be obligated to replace or credit Customer for Products that are stolen, lost,

broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6.4. Deliveries will be made by TG according to its operational capabilities. Communicated lead-times refer to TG ex-warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis, also refer to TG ex-warehouse dates and are estimates only and are not binding. To the extent permitted by law, TG will not be liable for its failure to make any delivery by the estimate date and any claims for damages due to non-performance or delayed performance are excluded, and Customer waives any and all claims against TG and its affiliates for damages and other liabilities arising from or due to TG's actual or alleged non-performance or delayed performance.

6.5. TG will observe commercially reasonable efforts in its observance of these T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by these T&C. TG will not be responsible for any delay or failure to perform its obligations under these T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("Force Majeure Event"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather, lack of energy, financial crisis, labor conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times will be prolonged where any Force Majeure Event occurs. If Products, which are ready for shipment, cannot be shipped through no fault of TG or if Customer does not want Products to be shipped, TG may store Products at Customer's cost and risk, whereby delivery shall be deemed fulfilled. The agreed payment terms are not changed thereby.

6.6. Retail-Products are shipped in brown master packs (order units). The master pack is only to protect the retail-Products and is not designed to be used as shippable outer carton and may not be used as such. Any other use of the master pack, in particular its use for shipping, is the sole responsibility and risk of Customer.

6.7. The cost of any special packing and packing materials used in relation to the Products are at Customer's sole expense notwithstanding that such cost may have been omitted from any Price Book or quotation. Customized packaging is subject to the signing of a separate packaging agreement.

6.8. Regarding Special Orders, TG reserves the right to supply the quantity deviations of +/- 5% of the quantity ordered (the "Permitted Deviation"), which is customary within the industry. Provided that TG's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid for by Customer in full.

6.9. If Products are to be delivered at the TG warehouse, TG will advise Customer about twenty (20) business days in advance of the respective delivery date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted. Customer shall pick-up all available and prepared Products, including partial deliveries of an Order, within ten (10) business days as of the communicated delivery date. If Customer informs TG that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, TG shall be entitled to either (I) partially or in total cancel the respective Order or (II) to store the Products at Customer's cost (at EUR 20 net per pallet per week) and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced.

7. Partial Delivery.

Deliveries by instalments (i.e. partial deliveries) shall be permitted and may be invoiced. If TG delivers any of the Products by instalments, and any one of those instalments is defective/non-compliant for any reason (as defined in **Clause 8.**), it is not a repudiation of the contract of sale formed by the T&C.

8. Notice of Defects/Non-Compliance, Warranty.

8.1. Any defect claims or non-compliances with the contract must be made in writing within **twenty-eight (28) days** from the date of delivery of the Products and in any event prior to their use or re-sale, including a detailed description and photos of the defect or the non-compliance; otherwise the Products are deemed accepted by Customer.

8.2. Customer shall assume all risk to Products during transportation thereof. TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

8.3. Any defects or non-compliances caused as result of a Force Majeure Event shall be excluded from TG's warranty.

8.4. For glass clouding a warranty of 2 (two) years as of the respective production date (bottom stamp) is granted. No warranty is provided for mechanical damages to the surface.

8.5. Customer acknowledges that deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2023 ("TG").

vertical axis according to the relevant technical drawings, which cannot be influenced by TG. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to earlier deliveries of the same Product, do not constitute a defect.

8.6. In case of a valid claim in respect of any defective/non-compliant Product, TG will, at its sole discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to TG for the respective defective/non-compliant Product, but not both. If TG chooses to arrange delivery of a replacement Product, Customer is required to return the defective/non-compliant Product at Customer's cost and risk to the warehouse determined by TG. Any and all other warranty claims of Customer shall to the extent permitted by law be excluded. TG will not replace any Products broken or damaged if master packs are used for shipping (see **Clause 6.6.**). Further, damaged packaging is not replaceable.

8.7. The rights relating to defects and non-compliance do not apply in case a defect/non-compliance arises because Customer fails to observe TG's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, use, caring or cleaning of the Product, or by failing to observe generally accepted Product use practices.

9. Limitations of Liability.

9.1. Where liability for damages is subject to fault, TG's liability for damages – irrespective of the legal grounds – shall in each case be limited in accordance with this **Clause 9.**

9.2. TG shall not be liable if and to the extent that Product instructions, recommendations and/or guidelines, in particular instructions for processing, handling, use, caring or cleaning of the Products and/or the Product packaging, and/or generally accepted Product use practices are not observed by Customer or its customer or other persons, unless Customer furnishes proof that the damage would have occurred even if the Product or Product packaging instructions, recommendations and/or guidelines had been observed. Further, TG shall not be liable for any damage or loss resulting from the purchase, handling, storage, packing, labelling, distribution, promotion, use, cleaning or sale of the Products by Customer.

9.3. TG shall only be liable for damage to the extent that the damage was caused by TG by gross negligence or willful intent. Liability for slight negligence is excluded, except in the case of personal injury. In such cases, however, TG's liability shall be limited to the foreseeable and typical damage.

9.4. The burden of proof lies with Customer.

9.5. In all other respects, TG's liability is excluded and Customer shall not be entitled to, and releases TG from, any additional claims, in particular for compensation of indirect damage or loss, or consequential damage, or loss of profits, goodwill revenue, savings or opportunity, whether in contract, tort (including negligence) or otherwise. For clarification, the cost of making a claim under this warranty will be borne by Customer.

9.6. Decorations of any kind not been made or commissioned by TG, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. TG will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is not water-resistant or dishwasher-proof. Customer shall indemnify and hold TG and its affiliates harmless from any and all claims, suits, losses, damages, demands, injuries and expenses (including reasonable attorney's fees) arising out of or related to any claims made against TG based on any decorations (such as engraving, silk-screening, etc.) made to the Products by Customer.

9.7. Except as provided in the T&C, TG makes no warranties or representations as to the Products or services to Customer or to any other person. All implied warranties, including but not limited to implied warranties of merchantability and fitness for a particular purpose are hereby expressly excluded to the extent permitted by law.

10. Returns.

Unless due to their defectiveness or non-compliance Products are returned in accordance with **Clause 8.**, all returns are subject to TG's prior written approval and subject to the exclusions as set out in these T&C. Special Orders, Limited Editions, Products that were un-packed from the original boxes, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or are engraved, decorated or are personalized in any other way cannot be returned and will not be reimbursed. Returned Products must be part of the current Price Books and in mint, resalable condition, packed in the original undamaged boxes and in the original sealed master packs. Returns must be shipped within thirty (30) days after having received TG's written prior approval and shall be delivered to the warehouse defined by TG, freight, risk and costs at Customer's expense and responsibility. For Products returned in accordance with these provisions and such Products not being defective/non-compliant under **Clause 8.**, the EXW TG warehouse, Germany, Product net price paid by the Customer for the respective purchase will be credited minus a 1.5% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by TG and will be not reimbursed.

11. Intellectual Property Rights.

11.1. TG or TG's licensors hold any and all rights, titles, good-will, and interest of any nature whatsoever, including but not limited to any and all intellectual property rights,

in particular copyrights, trademarks, trade secrets, design patent, patent rights and/or design rights, relating to the Products, the Product designs, the glassware samples and the glassware sample designs and prototypes, including, but not limited to, the respective drawings, tools, shapes and molds.

11.2. Any and all tools, molds, drawings, plans and prototypes provided to a Customer are the sole property of TG, including but not limited to any and all intellectual property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed over at the end of any kind of cooperation or contract.

11.3. Customer is entitled to the restricted use of the Brands and/or Trademarks affixed to the Products or their packaging in its unchanged and originally packed form, in order to identify the Products. By doing so, Customer does not acquire any rights or licenses to the Brands or the Trademarks, or any other proprietary material of TG or its licensors. Customer undertakes to refrain from any other use.

11.4. Any use of the Brands, the Trademarks or of any other intellectual property of TG or of TG's licensors, as well as photos or videos thereof, in publications, electronic (internet) advertising, social media pages, or printed matter is only permitted upon prior written authorization of TG. In addition, Customer undertakes not to use any marks or signs that are likely to be confused with those of TG or of TG's licensors, or with "Riedel", "Spiegelau" or "Nachtmann" or similar marks or signs or to have them protected in whatever form, in any jurisdiction.

11.5. Any and all materials and related documentation TG provides to Customer hereunder or through any contract together with any and all rights, titles and interests in the intellectual property, including but not limited to the Brands, the Trademarks, or any other proprietary material of TG and its licensors as well as all goodwill and copyright, in and arising from the Brands and the Products, vested therein or related thereto, remain the sole and exclusive property of TG or its licensors. Documents such as catalogues, brochures, illustrations, photos, videos, and the like as well as samples and designs remain at all times the intellectual property of TG or TG's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make such material and documents available to third parties, either in whole or in part, without TG's prior written authorization or to use them for any purpose apart from the purpose for which they were handed over to Customer.

In case an authorization is granted that allows Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of these T&Cs upon such third party. Customer remains liable to TG for any acts or omissions of such third party, and Customer shall hold TG and its affiliates harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed, Customer must return all material and documents.

11.6. Any use of the Brands or of any intellectual property rights of TG or of TG's licensors on social media platforms such as Facebook, Twitter, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on such social media platforms shall only be permitted upon prior written consent of TG.

12. Retention of Title.

12.1. TG shall retain title to the Products and samples delivered until full payment is received for such Products and/or samples by TG.

12.2. However, Customer is entitled to resell the Products in ordinary business in the usual way customary in the trade. If Products, which have not been paid for yet are sold, Customer shall assign the claim thus arising vis-à-vis third parties to TG. TG shall be entitled to disclose the assignment. Customer shall immediately make available to TG all information required in order to pursue all claims and agrees to comply with all formalities that may be necessary for a valid assignment.

12.3. Customer is not entitled to pledge or hand over Products of TG that have not been paid for as security. Customer is obliged to claim the title of TG to the Products in relation to third parties and to notify TG immediately in writing if third parties assert claims with respect to the Products or if execution is initiated.

13. Severability.

If any provision of the T&C is deemed ineffective or adjudicated to be invalid by a competent authority, the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the commercial purpose of the ineffective provision without delay.

14. Applicable Law, Place of jurisdiction.

14.1. The T&C and the contract concluded with Customer including the pre- and post-contractual phases and effects shall be governed by and shall be interpreted in accordance with **Austrian law**, excluding its conflict of law rules and the provisions of the UN Sales Law (CISG – United Nations Convention on Contracts for the International Sale of Goods).

14.2. The exclusive jurisdiction of Kufstein District Court, Austria, or Innsbruck High Court, Austria, (depending on jurisdiction over subject) is agreed for any and all disputes arising from or in relation to the contract concluded with Customer or the T&C underlying the contract, including the pre- and post-contractual phases and effects. However, TG is free to sue at Customer's registered office.
